As per my bursary contract from Columbus Stainless. I was to do some vacation work for them and consequently become familiar with the work principles, ethics and work environment. I was tasked to: analyze a process and then to document it for documentation purposes and to add a function/ procedure to an existing application using MVC methods.

**FEBRUARY 2024 – JUNE 2024**

**STUDENT ASSISTANT, NORTH-WEST UNIVERSITY**

I worked as a demi/ student assistant for second year students who were tasked to do programming in C# in Visual Studio. My responsibility was to log my hours for when I had to: mark tests/ assignments, assist students and be invigilator when they were writing tests and their exam.

**JULY 2024 – OCTOBER 2024**

**STUDENT ASSISTANT, NORTH-WEST UNIVERSITY**

I worked as a demi/ student assistant for second year distance students in the module where they learned about system analysis. The students had a project for the year and were due at the end of the second semester. Consequently, the assistants were allowed to aid the students if there were any questions or uncertainties.

JULY 2024 – OCTOBER 2024

**CLASS REPRESENTATIVE, NORTH-WEST UNIVERSITY**

I was elected class representative for one of my modules. The main role was to act as a communication medium for the students to the lecturer. I was also required to ensure that the classes and assessments run smoothly, ensure everyone is treated fairly and to generate a monthly report about how the classes are going.

## EDUCATION

2020

**MATRIC, HOERSKOOL KEMPTON PARK**

Passed matric with exemption.
